

North Carolina Career Pathway

(for academic years prior to 2009-2010)

Commercial and Artistic Production Technologies

In this pathway, employees use state-of-the-art equipment to design and produce newspapers, magazines, reports, advertising information, and other graphic images. Also included in this pathway are careers intended to enhance the beauty or aesthetic qualities of interior spaces. **High School Focus- Family and Consumer Science Education; Technology Education; and Trade and Industrial Education.**

Select from the Commercial and Artistic Production Technologies classes listed below. A student must pass four related vocational classes in a pathway. One of these four courses must be an upper level starred course*.
